

Countertop Respray

Countertop Respray We resurface over your existing formica countertop. While changing a standard my seem like a relatively easy task sometimes it can lead to a series of knock on jobs that make you wish you never started! All that changes when you opt to get them resprayed.

A countertop Respray can be done within 24 hours and will last for 10 years plus.

RESURFACE

At All Surface Respray we only use the best. Over the years we have tweaked our formula's and systems to be able to deliver the best and most durable countertop resurfacing system in the country.

REPAIR

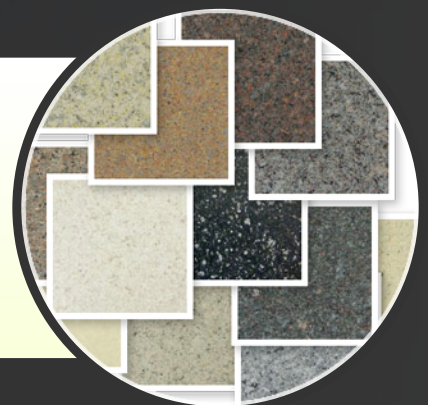

Sometimes it's just a chip or a burn that needs to be repaired. Everyday landlords commercial premises and domestic homeowners choose to repair instead of replace.
