## Trusted Partners

## Testimonials

*"Following the 200 rooms renovation of our hotel Radisson Blu, I appreciated the following advantages: a price 2 to 5 times **less expensive** than a classic renovation, saving time thanks to speed of application and **easy to place**, which is not always obvious with other trades. Finally the textures and the range color let me think that there is **no limit**."*

- JEAN-BAPTISTE BOURCIER, Technical and Safety Director
